ABOUT THE INTERNATIONAL ACADEMY OF SLEEP

Founded in 2016 by a former dentist, Avi Weisfogel, the International Academy of Sleep helps dentists expand their practices by creating a dental sleep medicine business alongside their existing dental practices.

Unlike other dentists who add dental sleep medicine as an additional service, our members build their own separate sleep businesses, investing a minimum of 250K in growing their business. Our one-of-a-kind program enables these dentists to triple their profit margins while addressing one of the most overlooked health issues of our times: **Sleep Apnea**.

**Our one-of-a-kind program enables dentists
to triple their profit while saving lives**

We cover everything from science to administration, guiding dentists through all the necessary steps for establishing a thriving dental sleep business.

We offer tools and infrastructure, along with personal instruction and support from the most successful dental sleep practitioners in the country.

Headquartered in Union, NJ, we are a vast network of hundreds of members and thousands of partners all working together to provide the best dental sleep program in the nation.

EXHIBIT INFORMATION

BOOTH INFORMATION AND POLICIES

➤ Booth Limitations

All aspects of SleepCon exhibit hall are designed for 10'x10' booths. The size of the exhibit hall limits the number of booths. Support from Freeman Decorating, the official contractor for this meeting, is based on the requirements for an exhibit hall of 10'x10' booths. Based on these factors, IAOS limits each exhibiting company to a maximum of two 10'x10' booths.

➤ Floor Plan

IAOS reserves the right to rearrange the floor plan in order to accommodate all requests for booth space.

IAOS may also adapt the floor plan to comply with hotel and other regulations. Exhibitors will be notified via email if their booth numbers change due to any of the above circumstances.

➤ Rejection of Application

IAOS reserves the right to reject an application, refuse rental of display space, cancel booth space after an application is approved, or curtail or close exhibits or parts of exhibits at any time prior to or during SleepCon. The enforcement of this right is at the sole and absolute discretion of IAOS management.

REGISTRATION

SleepCon requires exhibitors to register prior to the exhibition. Exhibitors can register their representatives online at www.sleepconusa.com

An email will be sent to each exhibitor's primary contact with information on how to use the registration system.

➤ Complimentary Registration

Exhibiting companies with a 10'x10' booth (inline or corner) receive one complimentary full meeting registration, which includes entrance to the exhibit hall and general sessions, and four complimentary exhibit hall only registrations, which allow entrance to the exhibit hall only. Exhibiting companies with a 20'x10' booth will receive two complimentary full meeting registrations and six complimentary exhibit hall-only registrations.

➤ Purchasing Additional Registrations

Any additional exhibitor representatives will be required to register as an exhibitor full meeting attendee or exhibit hall only attendee. There is no limit on the number of registrations an exhibitor can purchase, however, the maximum number of representatives allowed at one time in a 10'x10' exhibit space is 4 and a 20'x10' exhibit space is 10.

Registration Type	On or Before October 26th	On Site
Full-Meeting	\$795	\$849
Exhibit Hall Only	\$75	\$100

- In addition to complimentary registrations
- There is an additional \$25 administrative fee per on-site registration or change; expect delays for on-site registration processing.

➤ On-site Registration

If a company representative chooses to register on-site or is not pre-registered, the individual must provide proof of affiliation, such as a business card, and provide payment. On-site changes to pre-registered company representatives are to be made by the on-site company contact designated on the application.

For this reason, it is important to notify IAOS of any changes to your palms. No swapping or substituting of badges is approved unless permitted by the on-site company contact. There will be a \$25 administrative fee per on-site registration, change or addition.
